Monthly Calendar Contract

1. Please fill out the child's name(s) and grade.
2. Check if you are a member or non-member.
3. I understand that I am contracted to pay for full time or part time that I designated at the time of enrollment each month regardless of days noted on this calendar. This calendar represents days my child will attend or be absent only.
4. Circle AM, PM, AM/PM, Early Out that you designated at registration. You may choose to add on a Full Day choice that is available for each day you would like your child to attend AZ. If marked days are not circled clearly this will result in being charged for both AM and PM care for those days.
5. Please Sign, Date, and email your monthly calendar by the 15th of the month prior to care. Grace period until the 20th.
6. I understand that the days I have circled are our monthly contracted days/hours for the month (at registration) or I have talked to the Program Coordinator and have been told it is okay to add days. These days will not be refunded or prorated for days unattended; any added days will be subject to the drop-in care rate.
7. I understand that if the calendar is not turned in by the due date, I will pay drop-in rate for any days my child attends for that month.
