BECKER COMMUNITY CENTER

Dear Families,

Welcome to Adventure Zone, a community-based recreational program providing care for children kindergarten through sixth grade. We offer two separate programs during the year. Our School Year Program, we will follow the Becker Public Schools calendar and will be open for before and after school care as well as some full days Becker Public Schools are closed. For our Summer Program we will be open for at least 12 weeks during the summer, June-August.

We are pleased you have chosen our program. To assist us in maintaining the high standard that you expect from us, please read this booklet carefully and keep it for future reference. If you have any questions, do not hesitate to contact the Program Coordinator.

Adventure Zone has a schedule requirement of a minimum of 5 days a month and that requires parents at the time of registration to choose if their child will be attending full time (5 days a week for the academic year), a set schedule of part time or Ala Carte, with non-school days (full days that the school is not open during the school year) as a separate add on option for all those enrolled. What is chosen is what Parents will pay for whether their child attends or not, for the entire academic year.

At the time of registration, we will be giving priority registration to families who are choosing full time, then part time and then we will look at those choosing the ala carte.

At this time, Adventure Zone cannot guarantee that we will be able to provide care if the schools move to a distance learning day. Please know that if this happens, Adventure Zone will evaluate the situation and staff will then determine when Adventure Zone will resume. Adventure Zone will make every attempt to remain open.

We recognize that you have entrusted to us your most precious possession - your child. Your child's safety and happiness are our priority.

We look forward to working with you and your child(ren). This policy handbook is our way of letting you know what you can expect from us, and what we need from you. It is a condition of enrollment that families accept and abide by the policies of the program. All policies and fees are subject to yearly adjustments.

To enroll your child, complete a request for registration. Once you submit your request for registration you will receive a confirmation email letting you know that we have received your request. We will then notify you via email if your child has been accepted and what the next steps are for you to take.

We hope your child enjoys their time at Adventure Zone, and we look forward to building a positive relationship with you and your family!

Sincerely-

Program Overview

School Year Adventure Zone will be open for before and after school care and some non-school/full days that the Becker School District will be closed. Adventure Zone will provide many opportunities for your child to engage in free choice play, social interactions, self-regulation and as well as structured play.

Adventure Zone Philosophy

Children are a valued and important part of our community. At Adventure Zone, we aim to develop the child as a whole, while we provide a safe, nurturing, supportive, and enriched environment in which children can exercise individual responsibility, social interactions and free choice to promote a healthy self-image and enhance the quality of a child's life and community.

Adventure Zone will emphasize the development of social, emotional, physical, and intellectual skills within a recreational setting for children to learn through play. We value the relationship between children, staff, and families. The needs of children are central to the planning and management of our center.

We support learning through a range of planned and spontaneous activities that are developmentally and culturally appropriate based on individual and group needs of children.

We respect the privacy of families and staff and take our responsibility to protect their personal information seriously.

Adventure Zone enrolls students without discrimination of race, religion, creed, color, or national origin. As part of our philosophy, we will work with all children of all different needs and abilities. Please call and speak with the Program Coordinator about any special needs your child may have.

Adventure Zone (AZ)– School Year

Adventure Zone is a program located at the Becker Community Center providing care for school age children; Kindergarten through fifth grade. We follow the Becker Public Schools calendar through the year and will provide care before and after school, non-school days, early release days, and late starts.

Adventure Zone (AZ) is a structured program with a curriculum that utilizes themed weeks and or days throughout the year. There are many opportunities to use the swimming pool, go to the library, and participate in the fun daily activities that the AZ staff will organize for your child. The AZ childcare program is designed to meet the needs of children and parents through quality recreational programming.

Our Goals

- Provide a safe, caring, and enriched environment for children.
- Provide learning experiences and opportunities to develop relationships, build character, self-confidence and respect for oneself and others in a cooperative manner.
- Promote values of kindness, honesty, respect, and responsibility.
- Encourage the social, emotional, creative, and physical development of children through stimulating, interesting, challenging and age-appropriate equipment and activities – both structured and unstructured.
- Provide a program designed to meet a wide variety of participants needs that is reliable and flexible.
- Create an environment where Adventure Zone team members are partners with parents and other caregivers, working together to help kids grow up healthy, happy, and strong.

Child/Staff Ratio

The Program operates with appropriate staff to child ratios of 1:15. Any deviation from ratios will be made by the Program Coordinator with the children's safety in mind.

Adventure Zone Groups

Adventure Zone has designed different group settings to best accommodate children's learning at different times. Adventure Zone staff will do their best to separate participants into groups based on ages. This will be determined by the number and interest of participants. Children will have activities that will be with all ages and in groups based on their age. Groups will travel from activity to activity as a group throughout the day.

The Zone

This is a program we have put together for children 4th -5th grade. During the school year children who would like to participate will have time to engage in activities of their choice, work on homework, read, and freely socialize with peers. In the summer, "The Zone" focuses to meet the needs of children and parents through quality recreational programming, life skill development, service learning, and other structured enrichment opportunities.

The Leadership Team

The Adventure Zone Program (AZ) is staffed by a team of outstanding leaders selected for their ability to provide excellent service to the children and their families. Staff are expected to demonstrate sound judgment, dependability, responsibility, and the ability to create an environment which reflects caring, kindness, respect, and safety for youth. Our goal is to make this your best year ever! An extensive staff-training program is conducted to prepare our team to work with children. Staff are certified in CPR/First Aid and must complete a background check before working in the program. We also conduct a training regarding Epi Pens and Asthma inhalers.

Field Trips

Field trips are fun and exciting for a variety of ages to enjoy. All children attending on a field trip day are required to attend the field trip. Most field trips will take place in the summer, however if we do schedule an occasional field trip during the school year, we will give parents advance notice. Adventure Zone will use a contracted bussing company of our choice. At least 2 Field Trips and a fun carnival day here are included in the summer activity fee.

All **students are required to wear tennis shoes, and the current Adventure Zone t-shirts on all field trips.** Students must also **bring an AM snack and a 100% disposable lunch** that does not need to be heated up or cooled as there will not be access to a microwave or fridge.

If a child does not have the appropriate t-shirt with them on required days, a shirt may be loaned to that child and a borrowing fee will be assessed.

Concessions

Parents may choose to take their child to the front desk to purchase concessions before signing in or after signing out. Children will not be allowed to purchase concessions during Adventure Zone times except on a previously announced schedule day.

Transportation of Children

By completing the registration process for the program, you are giving written authorization from the parent/guardian to transport the child to and from the site when transportation is provided for a field trip or off-site programming. Buses will not wait for late participants, and we do not offer alternative care. Please watch for field trip information and departure times at Adventure Zone.

Children's Basic Needs

In order to grow and learn, all children have basic needs including safety, good nutrition, shelter, medical attention, clean clothes, appropriate discipline, and love. Parents/guardians who are having difficulty providing for a child's emotional or physical needs are encouraged to ask for help. Our staff can help parents/guardians find community resources. If a parent/guardian is unable or unwilling to meet a child's needs or if there is suspicion of physical, emotional, or sexual abuse, team members are mandated by the State of Minnesota to file a report with the Child Protection Agency

Becker Public Library

At times Adventure Zone will have days that the children will be able to go to the library as a group. If you would like your child to be able to check out books, movies, DVD's etc. from the library when we go, we will need a copy of their library card on file with Adventure Zone. If they do not have a copy of their card on file with us at Adventure Zone, they will not be allowed to check items out. Adventure Zone is not responsible for any items or late fees from the library. If your child checks out items from the library while attending Adventure Zone, it is

your responsibility to ensure items are taken care of and returned on time. If you need a card or a copy of your card you can inquire at the library, and they will assist you or contact the Adventure Zone Program Coordinator for assistance. To return items to the library, please return bin outside the front of the Becker Community Center's main doors.

Please notify the program coordinator staff if you are not receiving emails.

Adventure Zones main way of communicating with parents/guardians will be through email for all program information. If you have a question or concern, please contact the Program Coordinator via the Adventure Zone email. AZ@ci.becker.mn.us emails will be followed up through email or phone call. We value your input and want to respond to your questions and concerns, so please do not hesitate to set up a time for us to talk.

Parents need to communicate with the Program Coordinator if they feel that their child is not having a good experience at Adventure Zone, such as bullying, special circumstances, etc. Your ideas, suggestions, concerns, and feedback are very important to us and help us make continual improvements to our program.

The best course of action to take is:

- 1.) Please speak with the Adventure Zone Program Coordinator. You can call, leave a message, or schedule a conference.
- 2.) If the problem is not resolved in step 1, contact the Recreation Services Manager of the Becker Community Center. The Manager will schedule a conference by phone or in person.

Parent and Volunteer Participation

Parents are encouraged to participate in the program with their child. There are many opportunities for parents to volunteer within the program, such as helping at a community service project, getting involved in a team building activity, sharing information about your career and educational background, and teaching life skills workshops with the children. Parents are welcome to attend field trips and program activities. Please see Coordinator for more details – volunteering will require prior planning and approval. Parent volunteers will not be allowed to supervise other youth in the program unless they have completed the volunteer process.

Family Questionnaires

Questionnaires are sent out to families via email periodically throughout the year. Your feedback from these surveys helps us to identify areas of strength and areas that need attention. Please take time to let us know yours and your child's feelings about our program so the staff can make it a more enjoyable experience for everyone!

Student Expectations/Responsibilities

Behavior Guidance and Non-Violence Policy Philosophy

The overall safety of all children in the program is our highest priority. Please encourage your child to speak to the Adventure Zone staff or the Program Coordinator if they have any concerns with other participants or program staff.

To Encourage Positive Choices Staff Will:

- Protect the safety of the children and staff by establishing clear expectations and creating a safe environment
- Provide immediate and directly related consequences for a child's unacceptable behavior
- Anticipate problem situations and intervene by encouraging positive alternatives when possible
- Engage children in cooperative problem solving
- Model appropriate behaviors with children
- Tailor behavior expectation to the child's development level

Program Discipline Procedures

The goal of discipline and guidance techniques in Adventure Zone is to help develop safe and appropriate ways of interacting with others and the surrounding environment. When positive behavior is displayed, the consequence is participation and enjoyment of planned activities. Inappropriate behavior will not be tolerated.

Adventure Zone strives to maintain a positive approach to managing children's behavior. Staff establish and enforce clear and consistent limits and expectations for appropriate behavior. Staff will deal with inappropriate behavior through various techniques including modeling, distraction, and redirection, adjusting the environment and cooperative problem solving. Removal from the activity/area will be used as a last resort.

The following steps are used by Adventure Zone staff when dealing with inappropriate behavior:

Reasoning: Staff and child will discuss the behavior and why the behavior is unacceptable. Every effort will be made to help the child understand the inappropriateness of his or her actions and agree to an alternate form of behavior. When the conflict is child-to-child, every effort will be made to have them reason together face-to-face with staff assisting/facilitating as needed. This step will provide the child a chance to fix behavior on their own.

Redirection: When reasoning has been pursued and the behavior continues, staff will be redirecting the child from the activity involved to another program space for an appropriate amount of time if necessary. Staff will continue to redirect behavior and a written report will be filled out and copies given to parents.

Child/Staff Conference: If redirection and correction techniques are unsuccessful from staff, the Program Coordinator is consulted and may decide on further appropriate action/consequences. The Program Coordinator will talk with parents about behavior, consequences, and next steps.

Conferences: If behavior continues the Program Coordinator will set up a formal meeting with the parent/guardian and child. Behaviors and expectations will be discussed, specific changes in behavior will be requested, specific consequences for noncompliance will be outlined and a behavior contract will be completed.

Behavior Contract: This form is used for a child who, after much effort and numerous attempts, has not been able to modify their behavior. Goals are stated in positive ways to help the child understand the desired behavior and a timeline will be established.

Suspension for Inappropriate Behavior: To provide a safe, effective program, suspension may occur for children unable to follow the Behavioral Guidelines. The Program Coordinator and/or BCC Manger will determine the length of suspension.

Removal from the Program:

If corrective techniques are still unsuccessful, Adventure Zone may suspend or expel the child from the program. If a serious behavioral situation occurs the parent may be notified to pick up a child from the program immediately. If a child appears to be a danger to themselves or others, an Adventure Zone staff may restrain the child. Adventure Zone reserves the right to suspend or expel a child from the program without warning if that child poses a physical or emotional threat to other participants.

We reserve the right to bypass the above behavior steps at any time and remove a child from our care or program activity for reasons of safety. If a parent is called to pick up a child for behavior, the child must be picked up within one hour.

The following behaviors are not allowed at Adventure Zone. If a child displays any of the following behaviors, it could result in the child being suspended or expelled from program immediately.

- Blatant disrespect for another child or staff person.
- Absolute refusal to follow staff directions and facility and program rules and expectations.
- A behavior that takes away from any person's right to feel and be safe.
- A persistent behavior that keeps any staff person from being available for all children.
- Inappropriate touching of a person's body or using inappropriate sexual language or actions.
- Behavior that is purposefully destructive or involves theft of property.

To minimize disruptive or unacceptable behavior, Adventure Zone takes preventable measures and uses a variety of techniques such as redirection, verbal intervention, and consequences. In accordance with the Adventure Zone goal of providing a safe, secure, and nurturing environment for ALL children, we have adopted a zero-tolerance policy towards violence.

Behavior that the BCC does not accept include the following but is not limited to: Hitting, biting, kicking, spitting, throwing toys, swearing, not listening, leaving the classroom without permission or without an adult, mistreating the Becker Community Center's property, continually not following directions, disrupting the classroom, or in any way making the classroom environment unsafe for the children and/or the staff.

Adventure Zone has a responsibility to reasonably ensure the safety of the individual, other children, and staff.

If a child is disrespectful and causes the destruction of City of Becker property, the parent(s) may be liable to replace and or fix the damages.

Safety and Security

Adventure Zone will be utilizing our back door for entrance and exit for drop-off and pick-up times only. We will utilize the drop off and pick times listed below with the doors unlocked at these times to assist you with drop off and pick up. The doors will remain locked at all other times during the day. If a situation arises that you must drop off or pick up your child outside of these designated drop-off and pick-up times, please email in advance or call the Adventure Zone cell phone and make arrangements prior for someone to assist you as our door may remain locked during the day for safety reasons. Please allow extra time for drop-off and pick-up as times will vary on how soon your child is able to be ready due to other families also following the process at pick up and drop off.

Our drop-off times for AM care are as follows 6:00 am – 7:30 am, All day care 6:00 am -8:00 am

Our pick-up times for PM and all-day care 3:00 pm (or as soon as attendance is done)– 6:00 pm

You must sign your child in every morning and out every afternoon. Parents or authorized individuals must accompany their child into the building to do the proper sign in/out procedures. An authorized adult is someone 18 years or older. If you are new to this system, please ask staff for assistance. The sign-in/out sheet must be filled in every day with your initials and time of drop-off or pickup.

Any authorized person who is picking up a child must have proper photo identification available which may be checked by staff at any time. This procedure helps to ensure the safety of your child. Adventure Zone requires that all parents/guardians follow this policy. Failure to comply will result in dismissal from the program. Staff may vary, please **be prepared to show your photo ID daily.**

Adventure Zone **Program Coordinator must be notified when your child will be absent or late to the program for any reason.** If your child does not arrive as expected, program staff will investigate immediately by attempting to contact child's parents/guardians, School/Bus company, emergency contacts and, if necessary, the police. Due to the amount of time this takes we may assess a finder's fee beginning with the second occurrence.

Parent/guardians need to email the Program Coordinator with any absences to your child's schedule by 7:00 am for am care or all-day care and 2:30pm for pm care if your child will be absent or late.

If you do not arrive within these times, and your child's group is not on site, it is your responsibility to get your child signed in/out appropriately with the correct staff and sign in/out procedures and to escort your child to their appropriate group/activity. This

means that in a situation where the child's group is out on a walk you must wait with your child or get your child to where their group is located. Other Adventure Zone staff will not be responsible for getting your child to their group as this takes away from the safety of the other children. Out of respect for our staff we ask that you take all steps to ensure that you do not arrive late.

Daily Adventure Zone Procedures

Children MUST be signed in and out by an authorized accompanying adult. The accompanying adult must sign in and out with **both your initials and the time you are signing in or out and ensure that staff is aware of child's arrival or departure**. If your child is not signed in or out properly Adventure Zone is not responsible for your child. If you do not sign in or out, you will be assessed a finder's fee. Continued refusal to do so will result in termination of childcare. Please communicate with staff when dropping off and picking up your child(ren). Children will not be released until you have properly signed your child out. Children CANNOT be dropped off or picked up at the sidewalk, at the front entrance or the outside play areas. Children are not allowed to sign themselves out unless parent/guardian has completed the appropriate paperwork. When your child arrives by bus or leaves by bus, staff will sign them in/out. It is the responsibility of the parents to make sure all authorized drop off and pick up people also know the sign in and out procedures.

Adventure Zone is not responsible for any child that is not signed in properly. Parents will be called, and a finder's fee will be assessed to your account. Children must not leave unaccompanied unless written permission is provided in advance. Out of respect for our staff we ask that you take all steps to ensure that you do not arrive late.

Signing in procedures:

While following any mandated guidelines, parents will accompany their child into the building to their classroom or the gym, where they will notify staff, they are there, sign their child in and then the parents will wait for staff to follow any guideline procedures before leaving.

Signing out procedures:

At Pick up times, parents/guardians will follow any mandates guidelines while waiting for staff and their child. Parent/guardians will enter the building and notify staff they have arrived, notify staff who they are picking up provide ID and sign their child out with time and initials. Staff will then notify the child's lead and a staff member will assist the child in gathering their belongings and walk the child to meet their parents/guardians in the hallway.

Adventure Zone staff will NOT release your child until staff have verified the pick-up person and they have been signed out on the sign out sheet by an authorized adult using their initials and time of departure. Parents are to go to the sign out sheet *before* getting their child. Children shall remain with their group and staff until parents have signed out and then staff will notify the group that your child is going home. This is to help us ensure that your child is safe and only going with those you have authorized for pick up. Safety is of the utmost importance. Please always be prepared to show picture I.D.

Always be prepared to show a Picture I.D.!

Your child will not be released until identification and verification has been made.

Authorized Pick Ups

Only authorized persons are allowed to pick up children from Adventure Zone. Authorized persons picking up your child will need a photo I.D. to show staff before the child will be released to them. This includes parents/guardians. Upon registration, parents will be asked to list the names of people who are emergency contacts and authorized to pick up their child(ren).

Adventure Zone must be given advanced notice in writing if anyone other than an authorized person is picking up your child. If we do not have written permission, they will not be allowed to pick up your child. No phone authorizations will be accepted. In emergency situations, an exception may be made if the staff is able to call back to a listed number on registration form/emergency contact form to verify that it was the parent/guardian that made the call. Program Coordinator will make one phone call to you to try and clear up the matter, but NO child will be released until we have parents' permission. For safety reasons we will not accept someone coming in saying they have a parent on the phone to give permission.

For your protection, only persons authorized in writing by the parents may pick up your child. If you have any questions or concerns about this, please contact the Program Coordinator. Children will not be released to an unauthorized person or anyone without a photo I.D. Please keep in mind that if a new staff person or a substitute is on duty, you may be asked to show your photo I.D. It is for

the safety and best interest of the child. Child(ren) must be signed out by an authorized pick-up person using their initials and the time, on the correct day.

If there is a court ordered custody agreement, Adventure Zone is legally bound to respect the wishes of the legal document. It is the responsibility of the guardian who holds legal custody to provide Adventure Zone with a certified copy of the most recent court order. This copy must be on file with Adventure Zone and updated by the custodial parent when necessary.

Please note that if someone other than those on your list come for your child (whether they are allowed to take them or not) and it is after hours you are responsible for all late charges. (See payment section for fees)

Sixth Graders

Becker School District does not provide bussing for sixth graders so please know that your child will need to walk to school if attending AM care and will need to walk over to Adventure Zone after school for PM care. If your child is in sixth grade, please ask us for a permission to walk form.

Bus Procedure

After school days all children who ride the bus are considered enrolled in Adventure Zone and will take part in attendance before being released.

Staff will take attendance before we get on the bus, once on the bus and again when we get off the bus. We contract services out from bus companies. The bus drivers ensure that all children know the rules and expectations. If a child does not follow the rules, they may not attend the next field trip.

Illness and Medical Conditions

Please inform the Program Coordinator of any changes to emergency information including phone numbers. You are responsible for keeping your child's emergency information current!

Special Needs or Medical Conditions

The Program Coordinator must be informed about any special needs or medical conditions that impact your child's health, well-being, or involvement in activities. You are responsible for keeping this information up to date. This includes an IEP. To provide the most appropriate care, a conference may be requested with the family. It is the parent/guardian's responsibility to provide us with a copy of an IEP if we are to assist with adhering to it.

Sick Child Policy

A child's temperature must be a normal 98.6°F to attend and they must not have any symptoms consistent with COVID-19. We will follow the MHD guidelines for people with COVID-19 symptoms in youth, students, and childcare programs. Please see our COVID-19 policy above.

If a child exhibit any of these symptoms while in the program, the child will be separated from the group and the parent/guardian will be called to come and pick up the child. If a parent/guardian cannot be reached; the emergency contacts will be called. Staff will continue to assess the child's condition. Because we are looking out for your child's best interests, you or another authorized adult must pick up your child ASAP within one hour of being contacted. This includes being left a message. If the staff feel that your child's condition warrants emergency medical attention, or if necessary, the local emergency resource will be notified.

Policy for Recording and Reporting Accidents

If your child has a minor injury, staff will perform First Aid if necessary and notify you when you are picking up your child.

If a serious injury should occur, staff will perform First Aid and notify you to pick up your child immediately and let you determine if you should take your child to the doctor or dentist. At that time Adventure Zone staff will complete an Adventure Zone/Becker Community Center Accident Report to be kept on file at Becker Community Center.

In the event of a medical emergency staff will:

1. Call 911, perform immediate First Aid, and contact you. After 911 has been called, it is then up to the emergency response team to decide what actions will be taken.
2. A staff will accompany (when allowed) the child to the hospital and stay until the parent/guardian arrives if emergency medical transportation is required.
3. At that time Adventure Zone staff will complete an Adventure Zone/Becker Community Center Accident Report to be kept on file at Becker Community Center.

If a parent/guardian is not able to be reached, we will continue to call through your designated emergency contact list until contact is made.

Adventure Zone staff has the children's BEST interest in mind. Families will be responsible for any expenses incurred due to a child's injury.

Billing and Payment

See Chart for Specific Fee Information

Registration Fees

There is a \$25.00 per child, non-refundable, non-transferable registration fee due with your child's registration paperwork each session.

Program Fees

Monthly tuition fees are based off what parents choose at the time of registration for full time/part time/ala carte AM, PM, or AM/PM care, our minimum monthly requirement, and days you designate on your monthly calendar each month. Parents are responsible for paying for time RESERVED, not time used.

To receive full time rates, you must have designated this at the time of registration. If you designated full time, you will be charged full time rates each week, whether your child attends or not. (Excluding add on days). If you designated part time or ala carte at the time of registration you will be charged part time rates regardless of how many days your child attends each week.

Minimum Requirement

There is a minimum requirement of 5 days, per child, per month: whether your child attends or not. This will ensure your child has a spot available to them for their monthly contracted days. The days you designate on the calendar are your contracted days. If you would like your child to attend for the minimum 5 days a month, you must designate these days on the calendar each month. If you do not mark them on the calendar, it will be assumed your child will not be attending and you are still responsible for paying the minimum monthly requirement to hold your child's spot. Any calendar changes will be considered added days and will incur the daily fees determined by the schedule change policy.

Add on Day(s)

All non-school days/ full days that Adventure Zone will be open from 6:00 am- 6:00 pm are considered add on days and are not included in the FT 5 days a week or PT set schedule days a week charge. Non-School day charges are only incurred if you schedule your child for that day or they attend.

Monthly Schedules (calendars)

Monthly schedules/calendars are due by the 20th of each month for the following month of care. Ex. September's calendar is due by August 20th. This is done by parents filling out our monthly calendar, circling the days that your child will attend and turning it into the program coordinator via email each month. There will be no switching of days, refunds or prorations for days unattended by your child. If you would like your child to attend for the minimum 5 days a month requirement, you must designate these days on the calendar each month. If your child will not be attending, you are still responsible for turning your calendar in on time and indicating this on your calendar by leaving the days blank. Any changes will be considered added days and will incur the daily fees determined by the schedule change policy. Failure to submit a monthly calendar on time will result in a late calendar fee. Failure to submit a monthly calendar will not be accepted as a form of withdrawal from the program and you will still be responsible for any fees that are due for that month.

Calendars will be emailed out to families monthly; they can also be found on the Becker Community Center website or can be found on the wall by the parent board located next to the Adventure Zone office. Adventure Zone is not responsible for any late calendars due to improper procedures. Once Adventure Zone receives your calendar via email, we will respond to your email notifying you it was received.

At registration you committed to full time, a set schedule of part time or ala carte and will be charged for all required days whether you have marked them on calendar or not. Example: If you registered for full time (5 days a week) you will pay for 5 days a week, even if you have only marked 3 days on your calendar in a week; If you registered for a set schedule of part time the days you picked at registration are the days that you will be charged for each week. If you registered for ala carte you will be charged for the days, you indicated care is needed on the calendars or at least a minimum of 5 days a month. Please indicate if you know your child will be absent in advance to avoid a finder's fee.

Monthly calendars are used for providing us notice on what days your child will be attending, invoicing and allows to schedule staff and activities each day. So, calendars must be turned in by the 20th or you will incur a late calendar fee.

Schedule Changes

It is the parents/guardian's responsibility to reach out via email to the Program Coordinator prior to calendars being due if your family has any type of change in schedule that is going to affect your invoicing that month.

Parents/guardians may request to have a schedule change or add additional days by contacting the Program Coordinator via email. Consideration for approval is based on daily capacity. Approved additional days with at least 7 days' notice will incur the regular daily fee. Any days added to schedule with less than 7 days' notice will incur the daily drop-in fee. Any changes will be considered added days and will incur the daily fees determined by the schedule change policy. No Switching of days is allowed. Due to so many unknowns, the program coordinator will try and do what we can to work with parent/guardian to get a child in on short notice when possible.

Consistent Care contracts are consistent schedules of the same days, every week for the entire school year. If your schedule has abruptly changed (i.e. need to send your child on a nonscheduled Monday instead of your regularly scheduled Tuesday) we cannot switch contracted dates due to staffing, planned activities and student accountability. This will be considered an additional day and incur, and additional charge determined by the policy.

Contracts will remain in effect for the duration of the school year unless a Contract Change request is submitted through email to the Program Coordinator. Contract changes require a 7-day notice. Verbal notification is not sufficient. The first contract change is free. There is a \$15 fee for all changes after the first change. You are responsible for tuition based on the current contract until the change accepted and goes into effect.

Monthly Invoices

Monthly invoices will be sent to you via email by the 20th of the month. It is the parent/guardian's responsibility to watch for email correspondence and contact the Becker Community Center Administrative Support Specialist within 48 hours of notification, if you have questions regarding your bill.

A child may be dismissed from the program if you are two weeks or more behind on your account.

Payment Process

Payment is due by the 28th of the month for the month prior to care to avoid late fees. (Ex: October's payment for care is due by September 25th). Payments can be made by connecting with the front desk staff either in person or by phone. If you call in, you can pay with a credit/debit card. If you do in person at the front desk you can pay with cash, check or credit/debit card.

Families will be charged based off full time, part time and contracted days chosen each month on your calendars and/or the minimum requirement each month. Failure to pay the full balance on your invoice by the due date will result in a late payment fee. Parents will pay for any additional days and services incurred from the month on the next billing cycle. Payments are subject to collections if not paid in full.

Late Calendar Fee

Adventure Zone monthly calendars are due by the 20th of the month prior to care. (ex. Octobers calendar is due by September 20th). If calendars are not turned in on time, there is a late calendar fee of \$40.

Late Payment Fee

Payments not received by the 28th will incur a \$25 late fee. Payments are subject to collections if not paid in full.

Billing Adjustments

Any billing adjustments to your fees, outside of normal tuition fees, will be done on a periodic basis throughout the year. Adjustment fees include back billing for additional days attended, NSF or EFT Return fees, etc.

Refunds/Credits

There will be no credits, refunds or prorations for days unattended by the child or for the required minimum monthly fee. All registration fees are non-refundable, non-transferable.

Multiple Party Payments

In cases where multiple parties are making payments to a childcare account, Adventure Zone is not responsible for determining which party has the financial responsibility for specific weeks/days. All fees incurred at Adventure Zone are the responsibility of the parents/guardians that have registered the child and/or is in the parent section of the registration paperwork unless legal documentation stating otherwise is provided.

NSF Checks/Credit Card Declines

When a check is returned due to non-sufficient funds, it is the responsibility of the parent/guardian to bring the amount of the NSF check in money order, or credit card to the Becker Community Center Administrative Support Specialist within 7 days of notification. Along with payment due for Adventure Zone, there will be a \$40.00 fee for the NSF checks. If we issued a NSF check, future payments will need to be made in cash, money order, or credit card.

Late Pick-Up Fees

Parents/guardians are expected to pick up their child by 6:00 PM. A \$1.00 per minute, per child late fee will be added for every minute after 6:00 PM (OUR CLOCK) your child is not picked up. At 6:15 PM an emergency contact given by the parents/guardians, at time of registration, will be called if the parents cannot be reached. If there is no notification of the pick-up time by 6:30 PM, the police will be called, and the child(ren) can be picked up at the police station. Staff will make a note on their End of Day report and the late pick-up fee will be charged to your account. Continued late pick up may result in a cancellation of childcare services.

Finder's Fee

Parents/guardians need to email the Program Coordinator with any absences to your child's schedule by 7:30 AM for AM care, early release days, all day care and by 2:30 PM for after school care. If a child does not show and a parent has not contacted the Program Coordinator a fee of \$10.00 will be charged to their account.

If you do not sign your child in or out appropriately and staff must track, you down to confirm your child's attendance you will also incur a \$10.00 finder's fee.

If staff must continuously contact a parent due to a child not being prepared ex. Extra clothes, lunch, etc. an additional \$10.00 finder's fee will incur.

T-shirt Fee

Every child will need a t-shirt for field trip days. We will notify parents a head of time if a t-shirt is needed for a field trip, otherwise they are not needed for school year. You will not be charged the t-shirt fee unless a t-shirt is needed.

Borrowing Fee

If your child does not have the appropriate t-shirt on field trip or park days, one will be provided with an \$8.00 fee/ T-shirt must be in good condition as given and Parents will be required to wash and return t-shirt the next day. If the t-shirt is not returned the next day or is not returned in good condition than families will be charged \$15.00 for the t-shirt.

Past Due Accounts

Any payments that are not paid by the 28th of each month are considered delinquent. A late fee of \$25 will be applied to any payments not made by the 28th of each month. If your account is 2 weeks or more past due, your child can be dismissed from the program until your balance is paid in full. Parents/Guardians are still responsible for all incurred charges.

Non-Payment Procedure

Step 1. An email to parents/guardians requesting full payment by an established due date. A late fee of \$25 will also be applied.

Step 2. If payment is not received, a formal non-payment notice will be sent to the parents/guardians through email notifying families of their final deadline for payment. They will need to contact the Adventure Zone Program Coordinator at AZ@ci.becker.mn.us to discuss payment options and perhaps their child's temporary dismissal from the program.

Step 3. If payment is still not complete and parent/guardian refused to contact the Adventure Zone Program Coordinator to discuss payment options, your child will no longer be able to participate in the program until the balance is paid in full. A formal letter of temporary dismissal will be sent through email.

Step 4. Formal notice from the City of Becker Finance Department will be sent to parents/guardians requiring full payment on account.

Step 5. If payment is still not complete at this time, delinquent payments will be sent to collections.

Adventure Zone is funded entirely by parent fees.
